To: MS Webb Bridge All Teachers <M695AllTeachers@fultonschools.org>;

Good Morning All,

Thank you so much for your help with the CISS screening process for TAG. As you know the two week screening window ended this past Friday. If you have not done so already, please initial and place the following documents in my mailbox: "CISS Screening Teachers List" and CISS Task Check Off List". If you need copies of either of these forms they are on the staff drive under CISS.

ALSO...

BY THE END OF THE DAY TODAY, please enter your Xs to the appropriate grade level google doc:

Three Google Docs have been created to consolidate student information, one per grade level. For all students with an "X" in a CISS category(s), you MUST **add that "X" to the Google Doc** for the appropriate grade:

INSTRUCTIONS FOR EDITING:

- a. Find each student you have given an X(s) to. Students are listed by grade, in alphabetical order.
- b. Place an "X" in each observed categories.
- c. You can ONLY USE "X" on this spread sheet as there is a function built in to tally Xs
- d. If the category you observed is already checked, DO NOT ADD AN "X". A student can only be CISS-ed once in each category.

Thanks for your assistance with this process!
