Social Studies teachers: Please remind the representatives from your classes to report to the Media Center tomorrow at 9:00 AM. They should bring something with which to write.

Judges: (Anne, Tina, Nan/Sub): Your job will be to look at student answers and judge whether they are correct or incorrect. Katie Pardee, the Moderator, will read the questions and have the answers. Students will write their answers on their papers and keep them covered. You will walk around to each student and look at their answers, indicating whether they are correct or incorrect. Students with incorrect answers are "out". Once there are 10-12 students remaining, only one judge (Nan/Sub) is needed, so Anne and Tina can go back to their regular routines.

Questions? Ask me or Katie. Thank you so much!

Joanna
